

The Dutch Accreditation Council RvA,
appointed by law as the national accreditation body for the Netherlands,
hereby declares that it has granted accreditation to:

KEMA B.V.
Metering, Protection & Substation Automation
Laboratory
Arnhem

The body has demonstrated to be able to perform testing, in a competent, consistent and impartial manner.

This accreditation is based on an assessment against the requirements laid down in:
EN ISO/IEC 17025:2017.

The accreditation applies to the activities specified in the Annex bearing the registration number.

The accreditation is in force, provided that the body continues to meet the requirements.

The accreditation for registration number:

L218

was granted on 17 November 1994.

This declaration is valid until

1 April 2030

The Board of the Dutch Accreditation Council,
on its behalf,

mr J.A.W.M. de Haas
